

**Chick-fil-A Biscuits During Milestones Testing (Pre-Order Form)**

During the five days of the Georgia Milestones Testing, April 23, 24, 25, 29 and 30, we will be selling Chick-fil-A biscuits each morning. To help us order the right number of biscuits, please complete the order form below, indicating which mornings your student will be buying biscuits. If you are ordering biscuits for more than one child, please list each student’s name. Your order form, along with payment for the biscuits, must be turned in no later than Monday, April 21. We will order a few extra biscuits each morning, however, your pre-order form will guarantee that your student gets a biscuit. Thank you for your cooperation.

List the names of students who will be buying biscuits. The cost of a chicken biscuit is \$4.00. Please check the days that each student will be buying biscuits. Add up your days and write in the total for your order. The cost is \$20.00 for all five days. Make checks payable to Odyssey Charter School. Please turn in your order form along with your payment to Kim DiGiulio by Monday, April 21.

Student Name	Wednesday April 23	Thursday April 24	Friday April 25	Tuesday April 29	Wednesday April 30
Total payment:
