Shared Responsibilities

In the Classroom	Odyssey Students	At Home
The teachers continuously work with students and their families to support students' success in all subjects. At school we will:	Odyssey Students were asked what they could do at school or at home to help them make good grades and to be the best student they can be. These are some of the students' answers on how they can make these connections between learning at school and at home:	Odyssey parents joined staff to develop ideas about how families can support students' success. As parents we can:
<ul style="list-style-type: none"> ● Use Orton-Gillingham to increase, phonemic awareness, decoding skills, and fluency ● Use guided, leveled reading and math groups ● Use daily spiral review: start at foundational levels while adding more recent lesson topics 	<ul style="list-style-type: none"> ● Listen to classmates and adults ● Work hard ● Do my work and homework ● Get a lot of sleep ● Eat well ● Make smart choices ● Be good, kind, and nice ● Follow directions ● Be in control of myself 	<ul style="list-style-type: none"> ● Use everyday situations to strengthen fluency - like use math vocabulary (addition and subtraction) and encourage reading through looking at road signs ● Attend and use the activities and skills learned from the Student Led Conferences ● Read aloud with purpose and expression ● Encourage my child by praising good behavior and study habits ● Ensure they get a full night of sleep and breakfast in the morning
