

What is a School-Parent Compact?

A school-parent compact for achievement is an agreement that parents, students, and teachers develop together. Our compact explains how parents and teachers will work together to make sure all students reach grade-level standards.

Odyssey's compact:

- Includes goals of the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop these skills using high quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the school

Jointly Developed

The parents, students, and staff of Odyssey Charter School shared ideas to develop this School-Parent Compact for Achievement.

Input Always Welcome

This compact will be available on the school website for review and comment and will be revised annually.

If you would like to provide input, contribute, volunteer or check-out materials from the Parent Resource Room, please contact our Title I Parent and Family Engagement Coordinator, Jennifer Priser.

**revised August 2019*

Student Achievement Goals

District Focus

- Build relationships between all stakeholders consistently across all classrooms in order to increase rigor and relevance of our curriculum and instructions.

School Focus

- Increase the percent of students scoring as proficient or above in English/Language Arts by 3% and in Math by 3 % schoolwide.

Fourth Grade Focus

- Making sense of math problems and persevere in solving them
- Reading for comprehension (understanding) and to build vocabulary (acquisition)

Methods of Evaluation

GRASP–

(Georgia RESA Assessment of Student Progress)

- Administered three times throughout the year
- A screener which measure student growth on grade level math and reading readiness

Timed Math fluency

- Weekly evaluation which collects evidence of student ability

Georgia Milestones Assessment

- Administered in the spring
- Measures grade level standards for all Georgia Standard core areas (reading, math, science and social studies)

You want your child to thrive in school, both academically and socially.

In the Classroom

The teachers continuously work with students and their families to support students' success in all subjects. At school we will:

- Offer tutoring services for students who do not meet benchmarks
- Build reading comprehension and fluency through reading comprehension practice
- Use daily math review to reinforce grade-level key concepts
- Graph data from math drills to support students in their growth
- Find engaging activities for students and families to use for Academic Parent Teacher Teams (APTT)
- Support families through APTT

Odyssey Students

Odyssey Students were asked what they could do at school or at home to help them make good grades and to be the best student they can be. These are some of the students' answers on how they can make these connections between learning at school and at home:

- Come to school
- Be respectful
- Study and practice
- Ask for help
- Pay attention
- Listen to directions
- Turn in your homework on time
- Participate
- Always try

We encourage students to Show Tiger Pride in all they do (behavior, work, manners)

Help by teaching him or her that we are all accountable for what we do.

At Home

Odyssey parents joined staff to develop ideas about how families can support students' success. As parents we can:

- Allow student to be part of decision making using their skills Ex: let the student choose a meal. Use skills in shopping (budget), reading recipe, measurement, etc.
- Attend and use the activities and skills learned from the Academic Parent Teacher Team Meetings
- Ask basic comprehension questions around the 5W's– who, what, when, where and why
- Explore educational links to use websites or apps with my student
- Encourage by praising good behavior and study habits
