<b>In the Classroom</b>	<b>Odyssey Students</b>	<b>At Home</b>
The teachers continuously work with students and their families to support students' success in all subjects. At school we will:	Odyssey students were asked what they could do at school or at home to help them make good grades and to be the best student they can be. These are some of the students' answers on how they can make these connections between learning at school and at home:	Odyssey parents joined staff to develop ideas about how families can support students' success.
