

Smarter Solutions. Safer Schools.

Odyssey Charter School is fully committed to curbing student bullying and school violence and providing a positive learning environment for all students. As part of our commitment, the district offers the **Stay Safe. Speak Up! Student Safety Reporting System** (powered by PublicSchoolWORKS) to document and respond to concerns of bullying, suicide, violence, and other safety threats.

The system allows students, parents, and staff to submit safety concerns to school officials in the following ways:

1. **Mobile App.** Download the Stay Safe. Speak Up! mobile app and enter our unique District Code to submit reports directly from your smartphone. **District Code: ODYSSEY**
1. **Phone.** Call **1-866-547-8362** to leave a voice message or speak with a trained, live attendant. Attendants can initiate contact with various national crisis hotlines if a student needs help in dealing with a personal emergency.
2. **Online.** Click on the **Stay Safe. Speak Up!** button on the homepage to access the online form.

Students who believe they have been harassed, bullied, victimized by fellow students, or have other concerns which may jeopardize the safety of students, employees or school property are asked to use this system to report the issue. Reports can be submitted anonymously.

Thanks in advance for helping to make our school community a safer place to work and learn.
