

Title I Tutoring Need to Know

As Odyssey's Title I Tutoring program ramps up, there is some important information we need you to know.

- ✓ Tutoring will be offered to all grade levels and in reading and math this year.
- ✓ Tutoring days, times, and groups are determined by the classroom teachers.
- ✓ While there are a few morning tutoring sessions, the majority of the tutoring sessions are in the afternoon. Times and information about tutoring pick-up are listed at this end of this form.
- ✓ If your child is signed-up for tutoring but unable to attend one day, please notify your child's tutor.
- ✓ If you are interested in your scholar receiving tutoring but your scholar did not receive an invitation, please contact your scholar's teacher.
- ✓ Tutors will escort their groups to the front for tutoring carline at the end of tutoring.

Afternoon Tutoring Times 3:30 – 4:30

Tutoring carline will work the same as regular carline. Tutors will escort their groups to the front at 4:30 p.m. Any scholar not picked up by 4:45 p.m. will be checked in to afterschool and a **fee will be charged**.
