

Parents, because of the health crisis that has affected our country, this school year will look a lot different than past years. In kindergarten, we normally like to do community shared supplies, but because Odyssey wants to ensure the health and safety of your child, we ask that you provide individual supplies for your scholar. Each item MUST be labeled with your child's first AND last name. Your child's plastic pencil pouch and items will be stored ONLY UNDER THEIR DESKS, to cut down on the risk of spreading germs. We have also provided a "wish list" of some helpful items that you may choose to donate. We understand that some of the "wish list" items may be hard to find during this pandemic; please know that we are VERY appreciative of any items that you wish to donate to our classrooms! We look forward to a successful and fun-filled 2020-2021 school year!

-Your Kindergarten Teachers
